interest with multiple clients when he entered into a business relationship with them without proper protections for the clients, that he converted client funds before completing any work for a client, and that he failed to refund the unearned portion of the client funds when his representation was terminated.

### ANALYSIS

Neb. Ct. R. § 3-315 of the disciplinary rules provides in pertinent part:

(A) Once a Grievance, a Complaint, or a Formal Charge has been filed, suggested, or indicated against a member, the member may voluntarily surrender his or her license.

(1) The voluntary surrender of license shall state in writing that the member knowingly admits or knowingly does not challenge or contest the truth of the suggested or indicated Grievance, Complaint, or Formal Charge and waives all proceedings against him or her in connection therewith.

Pursuant to § 3-315 of the disciplinary rules, we find that the respondent has voluntarily surrendered his license to practice law and knowingly does not challenge or contest the truth of the suggested allegations made against him. Further, the respondent has waived all proceedings against him in connection therewith. We further find that the respondent has consented to the entry of an order of disbarment.

### CONCLUSION

Upon due consideration of the court file in this matter, the court finds that the respondent has stated that he freely, knowingly, and voluntarily admits that he does not contest the allegations being made against him. The court accepts the respondent's voluntary surrender of his license to practice law, finds that the respondent should be disbarred, and hereby orders him disbarred from the practice of law in the
